

Support our Friends & Family Annual Partnership Campaign

Invest in Girls. Change the World.

The Annual Friends & Family Partnership Campaign invites Girl Scout friends, family members, volunteers and alumni to share their love of Girl Scouting and the girls we serve by investing in their future and the Girl Scouts Heart of the Hudson.

Funds raised support girls as they build courage, confidence and character to become the change-makers of tomorrow who will make our world a better place.

Gifts may be designated to:

- The Friendship Fund - used to assist any girl or volunteer who needs extra support to ensure they are able to participate in the Girl Scout experience.
- Support our camps.
- General use to support where it is needed most.

Your gift makes a difference!
